Our venues have specific requirements. Check with the coordinator if you have questions

Kandy Glaser is the Acting Venues Chairperson. Let Kandy know if you have not received a copy of the new guidelines.

Hanging Rules: Sign the sign-up sheets available at each meeting. We can usually take 2 or 3 pieces per artist per venue; see coordinator for details. Even if you hang every time please use the sign up sheets at the meetings so we have an accurate count of the pieces. The hanging fee is \$10 per artist. There is a \$15 charge for art not picked up, and a \$5 charge if you sign up and do not show up. If you sell a piece at Lovelace, the buyer will call you and the two of you will arrange a time to meet there, exchange \$\$ for art, and you must hang a new piece in that space. **Please let the venue coordinator know this has taken place.** For all other venues you **may not remove a piece until takedown!**

Consume a sale at venue take-down time.

Please remember when we hang in hospitals and businesses it is important to make the least possible disruption. Please keep your voices down and socializing to a minimum (or outside the venue)!

New Mexico Arts' Art in Public Places is pleased to announce the launch of their biennial open call for art New Mexico Only Purchase Initiative Prospectus #283

The goal of the initiative is to diversify the state's public art collection by purchasing artwork from artists in all stages of their careers. The project is open to artists who reside in, and galleries that are located in New Mexico. Galleries may submit qualifications on behalf of any artist represented by the gallery, regardless of the artist's current residence.

AIPP MISSION

The Art in Public Places Program enriches New Mexico's public spaces through an innovative and diverse public art collection. Since its inception in 1986, the program has placed more than 2,500 works of art in all of New Mexico's 33 counties. Our goal is to reflect the diversity of the arts in New Mexico, the Southwest, and nation while building a dynamic public art collection for the State of New Mexico.

Through a fair and open public process, local and regional selection committees work with New Mexico Arts to select artwork for their communities. The Art in Public Places Program also commissions large-scale projects that are designed for integration directly into the architecture of a building, or purchases existing original artworks to be placed in public buildings.

THE SUBMISSION DEADLINE IS 11:59 PM (MST), SEPTEMBER 22, 2025

Please see the application on [Call For Entry platform](#) for more details and to submit your artwork.
